## Block Party Trailer

### Policies

1. The Block Party Trailer is a gift to the CNBC Alberta (formerly the Midwest Baptist Association) provided by funds from the North American Mission Board, Current Canada and the CNBC.
2. The trailer is available for use by churches within the CNBC Alberta, the association itself, and cooperating Baptist Entities (Baptist Campus Ministries, etc.). Neither the trailer nor any of its contents are available for individual or family use. The trailer is housed in Edmonton and priority usage is given to churches and groups in the Edmonton region.
3. The trailer is available on a first come/first served basis, with priority given to church planting efforts and evangelism projects.
4. The trailer is intended to be used as a packaged resource. Equipment will not be booked separately or removed from the unit.
5. Churches using the equipment are responsible for cleaning and replacing each item in its proper place. Churches need to notify the association at once of any malfunctioning or missing equipment.
6. There is a \$150 fee per event for churches using the trailer. Funds collected will go to cover the insurance and ongoing maintenance of the trailer and its contents as well as restocking popcorn & sno-cone syrup. **Reservations are not secured until the fee is paid and the trailer may not be used until payment has been received.** Cheques should be made out to the "Midwest Baptist Association" (legal name) and mailed to the address on the website.
7. Users will exercise great care in transporting, using, and returning the trailer and its contents. Users will be responsible for repair costs for damage to the trailer or its contents through abuse, misuse or negligence. Likewise users will be responsible for replacement costs for any lost items. Should there be loss or damage, an incident report should be completed and returned with the trailer.
8. Users will assure that a leader for their event has been trained in the use of the trailer and its contents. The trailer will not be checked out if there are no trained leaders on-site during the event.
9. The trailer should be reserved at least one month in advance by emailing [mbablockingtrailer@gmail.com](mailto:mbablockingtrailer@gmail.com). **Your reservation is not secure until you receive confirmation.**

10. The user is responsible for picking the trailer up from its storage location and returning it at the designated time. **Please remember that others are waiting to use the trailer after you.** The driver who tows the trailer is responsible to be currently and adequately insured for the transport of the trailers size and weight.

11. The trailer currently has the following items in inventory:
